 FINE WINES

Dear customer,

We are delighted to welcome you to our 2011/12 collection.

Once again, this year we have been hard at work to source some very exciting, vibrant and cutting edge wines for your lists, keeping in mind the difficult market place we all find ourselves in these days.

Amongst all the delicious new inclusions in our ever growing portfolio, one of the major highlights this year is yet another exclusive Scottish Agency:

**Champagne de Castelnau** is situated in the heart of Reims on a site recognised as one of the most important in Champagne. We are delighted to have them on board and if you need any confirmation of quality, you can taste Champagne de Castelnau at The Ritz Hotel in London!

New from Australia, we have added to our **Grant Burge** of Barossa listings, and in New Zealand we have sourced a wonderfully fresh, lively value for money Marlborough Sauvignon.

We have also bolstered our South American mid-range offerings with **Caliterra's** superb Reserva range from Chile.

From the **Pampas del Sur** stable in Argentina, we are please to add to the very successful range three hefty Reserva's to entice the tastebuds!

Moving on to the Northern Hemisphere, we have made our first venture into Portugal with classics from the Alentejo region of South-Central Portugal - under the **Monte Velho** label.

**Esporao** produces a vivacious, dry and fruity white and a serious, ripe and smoky red - both of which should enhance any wine list.

Following on from our successful partnership last year with **Patriarche de Beaune**, we have negotiated an entry level range of table wines - **The Heritage Collection** - a mellow red, a fine white & a delicate rose, all of which offer superb presentation and incredible value for money.

To all our customers old and new, we thank you for your valued support and we look forward to working with you in 2011/12.

All new wines are highlighted in Red throughout the catalogue.
